DETAILED ACTION

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. The applicant's claims directed to a method of dry cleaning using specific amounts of hydrocarbyl esters of a multi-carboxylic acid in combination with liquid carbon dioxide was not found in the prior art of record. Nor would it have been obvious to incorporate this specific amount of hydrocarbyl ester and the prior art does not provide sufficient motivation for this specific combination. As such the claims are found to be allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory E. Webb whose telephone number is 571-272-1325. The examiner can normally be reached on 9:00-17:30 (m-f).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon can be reached on 571-272-1498. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
